

Student Name _____ Period _____

Parent(s) / Guardian Name _____

(“Art Talks” will be sent via Infinite Campus Messenger to those families with email addresses available.)

I want to be the best teacher I can for your child. I don't want to wait until the end of our short time together before I learn only a small part of what you already know. Together we can achieve great things making your child's art experience successful and happy.

Take some time to share anything (however small or great) that can assist me in providing the best educational and supportive environment for your child.

Art Student Parent Questionnaire

Describe or list the qualities that your child's teacher should have.

What goals do you (and your child) have during his/her 7th grade year?

Does he/she have any special interests outside of school? What are they?

Are there any cultural, religious or dietary guides that you wish for me to honor?

Is there anything else that you would like to share?

*Thanks for taking time to complete this form. Please visit our classes, or me anytime.
Free grade of 100 if returned by January 19.*
